

FUNDRAISER 2008 : PATRON FORM

The Sev Shoon Arts Center Fundraiser offsets the monthly costs for our long term renters that participate. It is also an avenue for the Center to have internships, traveling shows, and an international exchange program. Patron support not only supports these programs but encourages and inspires our artists to produce work. Thank you for your support of the Center and our artists. Please let us know who introduced you to our Center as they directly benefit from bringing you!
